Guidelines for access pass during Kadayawan Festival 2011

In anticipation of the surge of tourists during the highlights of the Kadayawan festivities, we are issuing access pass to control security and regulate entries to specific areas.

MEDIA

If you are affiliated with a media network:

1. Send your full name, company (TV, print, radio) to duawdavao@gmail.com, joycemariscal@gmail.com or jojjealcantara@gmail.com with your clear ID photo (digital file).
2. Media access pass is free, and will be released in a form of sticker to identify individual's authorized entry.
3. Individual is free to cover all events occurring during the Kadayawan festivities (Aug. 12-21, 2011) for free, and without the sticker pass. These are the core activities stated in the calendar of events attached.
4. Media access pass only allows exclusive entries to controlled areas that need regulation, specifically full entries inside barricaded areas of Rizal Park and San Pedro Street on **August 20, Saturday, for the Indak Indaksa Kadalanan Parade**, and on **August 21, Sunday, for the Pamulak or Floral Float Parade**. This is due to the new stage in front of the existing park stage that will be built for performers, and a barricade around the stage areas for security purposes. Risers will also be provided for the audience. With this setup, media is given top priority on said dates for coverage access.
5. It is recommended to always wear the Access pass at all times during your coverage, for easy recognition by authorities and avoid unnecessary misunderstanding with tight security.
6. Failure to comply with above regulations will not allow media access to specific barricaded areas in Rizal park only during listed dates.
